Toxicity:	Harmful if swallowed
VOC's	None
Flammability:	Non- Flammable.
Color:	White in the bottle, colorless and non-yellowing on the floor
Odor:	Very Mild
Composition:	Acrylic polymer emulsion, ethylene copolymers proprietary additives and quality control agents.
Coverage:	Approximately 1000-1200 square feet per gallon.

NOTE: COVERAGE RATES MAY VARY DEPENDING ON POROSITY, TEXTURE, APPLICATION METHOD AND PRIOR SEALER APPLICATION. EXCESS BUILDUP SHOULD BE AVOIDED.

PRODUCT HIGHLIGHTS

- Ez Glo Matte produces a smooth matte finish without buffing.
- Ez Glo Matte isn't harmed by repeated scrubbing with a neutral detergent or damp mopping between coatings.
- Ez Glo Matte can be applied using a damp mop, spread evenly and left to dry. Spray buffing will blend in the recoated area.
- Ez Glo Matte meets the ASTM D-2407 requirement for slip resistance.
- Simple spray buffing maintenance keeps the clean, bright polished look for months. To remove old polish thoroughly scrub with Citra Pro, rinse the floor and let dry completely.

PRODUCT USES

Ez Glo Matte is used to maintain floors in matte finish condition with minimal labor. All types of sealed concrete floors as well as sealed wood and compositions floors will improve their appearance and decrease maintenance costs with the use of Ez Glo Matte.
